Tomorrow's Heroes (Wolf/Frainer/Bonmassar)

wake up, look around
there's magic in the air
a voice is getting loud
become one of us, cause we care,
hand in hand, hearts open wide
we will all stand side by side
and this is the time to make your dreams come alive
you're one of us

we will be tomorrow's heroes
we believe that we can make a difference
we will be tomorrow's heroes
no matter who you are
someday you'll be a rising star

come give yourself a chance
be proud of who you are
reach out , go for your goals
nothing ever is too far
all it takes is to believe in yourself
and heaven knows
how high you can fly that's just the way it goes
you're one of us

we will be tomorrow's heroes
we believe that we can make a difference
we will be tomorrow's heroes
no matter whop you are
someday you'll be a rising star

it's all for one and one for all
wake up and listen to the call
you'll be the best that you can be

we will be tomorrow's heroes
we believe that we can make a difference
we will be tomorrow's heroes
no matter who you are
someday you'll be a rising star
